Carol Browner, Administrator
US Environmental Protection Agency
PO Box 1473
Merrifield VA 22116

Dear Administrator Browner,

The HPV Trioxane Manufacturers' Consortium is pleased to submit the testing plan and robust summaries for 1,3,5-Trioxane (CAS Number 110-88-3). The attached Adobe Acrobat (pdf) file contains the entire submission consisting of the test plan, the test plan rationale and robust summaries for the key studies comprising the HPV endpoints. The Consortium's registration number is

If there are any questions concerning this submission, please contact me as a representative of the Consortium.

Sincerely,

Elmer Rauckman PhD, DABT
Toxicologist for the Trioxane Manufacturers' Consortium
